

Next Level DtC for NSW Wineries

A Two Day Intensive Workshop - Crowne Plaza Hotel, Burwood.

Rationale

Direct to Consumer sales mastery is one of the biggest opportunities available to most wineries.

It's time to take your skills to the next level.

Tourism is once again flourishing. How do we now optimise the opportunity this presents?

How do we turn customers into a life long buyers and brand advocates?

How do we leverage latest technology to help us with that? That's the focus of this program.

DtC Wine Sales Excellence

This program has been created especially for NSW wineries. The focus is on building your skill set in order to grow the most profitable part of your wine business.

WBS Workshops are designed to present you with global best practice, along with the tools and technology you'll need to develop cut through strategy and plan for winning execution. We examine the most successful practices used at cellar door, in wine clubs and across all communication channels to help you maximise direct sales, and secure customer preference.

WBS Principal and your Program Presenter, Peter McAtamney, has 30 years wine industry experience. Over 1700 people have attended Peter's workshops during WBS' 20 years of operation. He spent 5 years teaching Marketing and Strategy as part of the Uni. of Technology, Sydney MBA Program. His experience, insight and unique focus on wine business success make him an in demand presenter and wine business advisor the world over.
